CHALLENGE:

Required a Borescope Inspection Camera for their Proton Therapy Center, crucial for patients. The device was unavailable through traditional channels.

GOAL:

Known for our extensive network of distributors, manufacturers and industry contacts, Cenmed will locate.

SOLUTION:

Cenmed successfully located the required medical device within a condensed timeframe and was promptly delivered to MD Anderson. We were able to expand to their clinical and R&D labs with our punchout catalog.

PROJECT SCALE: \$300K
